

ABSTRACT

NURYANTI. 2022. *Efforts to Strengthen Anti-Corruption Education Through Civic Education Learning at SMK Negeri 1 Bantaeng.* Thesis. Department of Pancasila and Citizenship Education, Faculty of Teacher Training and Education, University of Muhammadiyah Makassar Supervisor I Andi Sugiaty and Supervisor II Jumiati Nur.

This research was conducted with the aim of knowing how to strengthen anti-corruption education through Civics learning at SMK Negeri 1 Bantaeng.

The type of research used is qualitative with a descriptive approach, data collection techniques use interview observations and documentation, while data analysis techniques use qualitative descriptive data collection stages, data presentation and verification.

The results showed that the strengthening efforts made by teachers on anti-corruption values in Civics learning had several phases, namely planning, the learning process, and in the evaluation of learning so that anti-corruption values could be implemented effectively by students, in their activities, and interact both inside and outside the classroom.

Keywords: Anti-Corruption Education, PPKn Learning
