

ABSTRAK

NUR WAHIDA BASRI, 2022. Analisis Sistem Keuangan Desa Pattallassang Terhadap Pemberdayaan Masyarakat Desa Selama Masa Pandemi (Covid-19), Skripsi, Jurusan Manajemen Fakultas Ekonomi dan Bisnis Universitas Muhammadiyah Makassar.

Dibimbing oleh: Buyung Romadhoni dan Nasrullah.

Penelitian ini bertujuan untuk mengetahui sistem keuangan desa Pattallassang terhadap pemberdayaan masyarakat desa selama masa pandemi (covid-19). Sistem keuangan dalam pemberdayaan masyarakat desa dapat dilihat dari suatu kegiatan yang mempersiapkan dan menentukan suatu tujuan yang ingin dicapai. Jenis penelitian yang digunakan adalah penelitian kualitatif. Data dikumpulkan dengan metode observasi, wawancara, serta dokumentasi. Dalam penelitian ini sumber data yang digunakan adalah pengumpulan data primer. Hasil penelitian ini menunjukkan bahwa sistem keuangan desa terhadap pemberdayaan masyarakat desa selama masa pandemic (covid-19) berpengaruh positif terhadap masyarakat desa karena sangat membantu masyarakat desa dari segi ekonomi.

Kata Kunci: Sistem Keuangan Desa, Pemberdayaan Masyarakat.

ABSTRACT

NUR WAHIDA BASRI, 2022. Analysis of the Pattallassang Village Financial System Against Village Community Empowerment During the Pandemic (Covid-19), Thesis, Department of Management, Faculty of Economics and Business, University of Muhammadiyah Makassar.
Supervised by: Buyung Romadhoni and Nasrullah.

This study aims to determine the financial system of Pattallassang village for empowering rural communities during the pandemic (covid-19). The financial system in empowering rural communities can be seen from an activity that prepares and determines a goal to be achieved. The type of research used is qualitative research. Data were collected by observation, interview, and documentation methods. In this study, the data source used was primary data collection. The results of this study indicate that the village financial system on empowering rural communities during the pandemic (covid-19) has a positive effect on rural communities because it is very helpful for rural communities from an economic perspective.

Keywords: Village Financial System, Community Empowerment.
