ABSTRACT

Khofifah Indariyani. 2023 Effectiveness of Village Fund Policy for Infrastructure Development in Tanrara Village, South Bontonompo District, Gowa Regency. Thesis. Department of Development Economics, Faculty of Economics and Business, University of Muhammadiyah Makassar. Supervised By: Ismail Rasulong, SE., M.M., And A. Nur Fitrianti, SE., M.Sc.,

This writer's goal is to find out how effective the Village Fund Policy is on infrastructure development in Tanrara Village, South Bontonompo District, Gowa Regency. This study uses a type of qualitative research. The data sources use primary data sources and secondary data sources. Informants in this study included the Chairperson of the BPD, the Village Secretary, the Hamlet Head, and the Tanrara Village Community. The research data was collected through observation, interviews, and documentation. Data obtained from research results using technical data and conclusions.

The results of this study indicate that the Effectiveness of the Village Fund Policy on Infrastructure Development in the Village is seen as making decisions that always hold joint meetings and consider the ideas presented.

Keywords : efectiveness, village fund policy, village performance,
