

ABSTRAK

AIMAN ABU KHAIR. 105191109920. 2024. *Peran Guru Pendidikan Agama Islam Dalam Pembinaan Shalat Berjama'ah Siswa SMP Negeri 2 Duampanua Kab. Pinrang*, dibimbing oleh Ahmad Nashir dan Ya'kub.

Penelitian ini bertujuan untuk mengetahui peran guru Pendidikan Agama Islam dalam pembinaan shalat berjama'ah siswa SMP Negeri 2 Duampanua Kab. Pinrang, untuk mengetahui pembinaan shalat berjama'ah siswa SMP Negeri 2 Duampanua Kab. Pinrang, untuk mengetahui faktor pendukung dan penghambat dalam pembinaan shalat berjama'ah siswa SMP Negeri 2 Duampanua Kab. Pinrang.

Penelitian ini menggunakan penelitian kualitatif yang bertujuan untuk mengetahui peran guru Pendidikan Agama Islam dalam Pembinaan shalat berjama'ah siswa SMP Negeri 2 Duampanua Kab. Pinrang.

Hasil penelitian ini menunjukkan bahwa peran guru Pendidikan Agama Islam memberikan edukasi, motivasi, evaluasi, dan penilaian terhadap pelaksanaan shalat berjama'ah siswa yang sudah menjadi aturan di SMP Negeri 2 Duampanua Kab. Pinrang. Metode pembinaan yang dilakukan guru Pendidikan Agama Islam membina siswa shalat berjama'ah diantaranya; metode pembiasaan dan pengajaran, metode kesesuaian antara ucapan dan perbuatan, metode nasehat, dan metode peringatan. Faktor pendukung dalam pembinaan shalat berjama'ah siswa di SMP Negeri 2 Duampanua yaitu; tersedianya fasilitas mushola yang digunakan untuk shalat berjama'ah dhuhur setiap harinya, motivasi dan nasehat dari pihak sekolah, materi pembelajaran ibadah khususnya shalat berjama'ah, dan kerja sama antara guru Pendidikan Agama dengan guru lainnya. Sedangkan faktor yang menjadi penghambat yaitu; kurangnya kesadaran siswa terkait pelaksanaan shalat berjama'ah, pergaulan siswa di luar sekolah, pengaruh penggunaan android, dan kondisi mushola yang belum bisa menampung seluruh siswa untuk melaksanakan shalat berjama'ah.

Kata Kunci: Peran Guru PAI, dan Pembinaan Shalat Berjama'ah Siswa

ABSTRACT

AIMAN ABU KHAIR. 105191109920. 2024. *The Role of Islamic Religious Education Teachers in Guiding Congregational Prayers for Students of SMP Negeri 2 Duampanua District. Pinrang*, guided by Ahmad Nashir and Ya'kub.

This research aims to determine the role of Islamic Religious Education teachers in coaching congregational prayers for students at SMP Negeri 2 Duampanua District. Pinrang, to find out about the guidance of congregational prayers for students of SMP Negeri 2 Duampanua Kab. Pinrang, to determine the supporting and inhibiting factors in fostering congregational prayers for students at SMP Negeri 2 Duampanua District. Pinrang.

This research uses qualitative research which aims to determine the role of Islamic Religious Education teachers in fostering congregational prayers for students at SMP Negeri 2 Duampanua District. Pinrang.

The results of this research show that the role of Islamic Religious Education teachers is to provide education, motivation, evaluation and assessment of the implementation of congregational prayers for students which has become a rule at SMP Negeri 2 Duampanua District. Pinrang. The coaching methods used by Islamic Religious Education teachers to encourage students to pray in congregation include; method of habituation and teaching, method of conformity between words and actions, method of advice, and method of warning. Supporting factors in the development of students at SMP Negeri 2 Duaempaenuae are; The availability of prayer room facilities that are used for prayers during midday prayers every day, motivation and advice from the school, learning materials for worship, especially congregational prayers, and work for educational teachers and other teachers. Some of the factors that become a barrier are; The lack of student welfare is related to the implementation of social media together, student activities outside the school, the influence of the use of Android, and the condition of the prayer room which cannot yet accommodate all students to carry out physical education together.

Keywords: Role of PAI Teachers, and Fostering Student Congregational Prayers
