

ABSTRAK

MUTIAH HARIS. 10525029215. *Pengaruh Pengelolaan Zakat Community Development Terhadap Pemberdayaan Ekonomi Umat.* Dibimbing oleh Ahmad Nashir dan Hasanuddin.

Penelitian ini menggunakan metode kuantitatif yaitu bertujuan untuk mengetahui bagaimana pengaruh Zakat Community Development Terhadap Pemberdayaan Ekonomi Umat.

Penelitian ini dilaksanakan di BAZNAS Kota Makassar yang berlangsung selama 2 bulan mulai dari tanggal 27 April 2019 sampai tanggal 27 Juni 2019. Sampel dilakukan secara acak dengan 100 orang masyarakat yang bergabung dalam Zakat Community Development dengan melalui dua variable yaitu variable bebas berupa pengelolaan Zakat Community Development dan variable terikat yang berupa pemberdayaan ekonomi.

Hasil penelitian menunjukkan bahwa cara pengelolaan Zakat community Development terhadap pemberdayaan ekonomi umat dilakukan dengan cara peningkatan kemampuan dan keterampilan para *mutahik*. Dalam peningkatan kemampuan dan keterampilan para mustahik dilakukan dengan cara pendampingan, pelatihan dan pembinaan. pengelolaan Zakat Community Development berpengaruh terhadap pemberdayaan ekonomi umat. Ini ditandai dengan hasil pengelolaan data yang telah dilakukan. Dilihat dari Uji determinasi yang menghasilkan nilai $R^2 = 0.369$. hal ini menunjukkan bahwa pengaruh X lemah. Selain itu, dalam model ini diketahui pula adjusted R^2 sebesar 0.362, ini berarti bahwa pengelolaan Zakat Community Development berpengaruh secara lemah terhadap pemberdayaan ekonomi umat.

Kata Kunci : Zakat Community Development, Ekonomi Umat

ABSTRAK

MUTIAH HARIS.10525029215. The influence of Zakat Community Development on the economic empowerment of the ummah was guided by Ahmad Nashir and Hasanuddin.

This study uses a quantitative method which aims to determine how the influence Zakat Community Development on the economic empowerment of the people.

This research was carried out at the national library of Makassar, which lasted for 2 months starting from April 27, 2019 to June 27, 2019. The sampel was randomly conducted whit 100 community member who joined the Zakat Communtiy Development thourgh two in the form of Zakat Community Development and the dependent variabel in the form of empowerment.

The results of this study indicate that the way of managing Zakat Community Development on community economic empowerment is done by increasing the abilities and skills or mustahik in improving the skills of mustahik skills carried out by means of training assistance and guidance on the management of Zakat Community Development affects the economic empowerment of the community. This is marked by the results of data processing that has been done seen from the test of determination which produces a value of R Square= 0.369 this indicates that the influence of X is weak. In addition, in this model it is known that adjusted R Square is 0.362, which means that management of Zakat Community Development has an effect weakly towards the economic empowerment of the people.
